2010 Football Program Ad Sales

All the ads are sold by the Band Students and/or their Parents!! The success of our Football Program depends on the number of businesses we get to participate.

For each sale the Band Student makes they will receive a credit directly into their *Fair Share* budget account in the following amounts :

1/8 page \$10 ¼ page \$15 ½ page \$25 Full page \$50

You may begin selling immediately. Talk to friends, neighbors, and local businesses. We have no limit as to the number of pages our program can be, so *Sell as many Ads as you can.*

Please read the material provided so that you are knowledgeable about ad sizes and prices.

You may copy any of the material provided to you for ad sales. If you need more copies of anything call Deboarh Roche @ 932-1403 / 982-3692 she will make sure a copy gets emailed to you.

Each business will receive a copy of the 2010 program, delivered by their salesperson, after printing.
